2. ****Choose File > Browse** to open the File Browser to locate the image you want to work on.****** A thumbnail image is displayed with the name of the image. 3. ****Choose File > Open****. When the Open dialog box appears, as shown in Figure 17-1, the navigation window (on the left side) provides a thumbnail view of the images stored on your computer. At the bottom of the navigation window are the following: * A small thumbnail image is used to identify the image. You can see that in Figure 17-1. * A white background shows which thumbnail image contains the image you want to work on. (Depending on your monitor, the image may not be white.) * Click the image to display the full-size image on your screen. FIGURE 17-1: The File Browser's navigation window lists files on your computer. If you don't see an image from your computer in the navigation window, you may need to resize it in the navigation window. In the File Browser, select View > Navigate Frame Size to specify that you want the navigation window to display a view with more width or height. (Hint: Views can be resized by dragging the edges of the window.) You can also scroll through your computer's files using the navigation window by clicking the up and down scroll arrows at the bottom of the navigation window. If you're using a touch screen, you can swipe up or down to scoot through the thumbnail images. * The navigation window provides a convenient way to find a specific file. Click any image's thumbnail to display a preview of that image in the File Browser. You can choose which thumbnail image you want to see by clicking its thumbnail at the far left of the navigation window. Click an image's thumbnail again to dismiss the preview. Here's a trick: You can open an image directly from the navigation window by right-clicking the image thumbnail and then choosing Open. In this case, the full-size image appears. The File Browser usually opens in landscape format (height is longer than width). To change the orientation of the navigation window to portrait format, click the rotation lock (a circle with a line through it, in the navigation window's bottom-right corner), as shown in Figure 17-2. Russell Banks brings his infamous characters to life, living, breathing, and speaking in the pages of FICTIONSTORE. Written by Russell Banks, and published in New York by Atlantic Monthly Press, FICTIONSTORE is the highly anticipated sequel to his 2001 success, THE PIPER AT THE HONOR BIN. When THE PIPER AT THE HONOR BIN established Banks as a literary legend, readers were enthralled with the story of a writer/reporter who begins to question his personal beliefs and gradually starts to unravel the truth of who he really is, a man at the center of something much bigger than he could ever have imagined. Now, after years spent in a wheelchair following a near fatal motorcycle accident, Banks returns to explore his characters head-on, confronting them and plunging his audiences into the black comedy that is life. On December 18, 2007, Rivers Russell Banks, Jr. died at his home in Tuscany, New York. Pages Wednesday, October 31, 2015 Mookerjee's translation of The Cure by Harun Yahya is always a pleasure to read. Even though the book itself often has a rather, shall we say, familiar tone, in which there are a number of references made to hadith and the Koran, (which is often irrelevant to any discussion of the book, but rather substitutes "more of this quote" as a title), Mookerjee has always been able to bring out the heart of Yahya's story. Here is what he says about the book's realisation: "Yahya's narrative blends seamlessly with contemporary life. This makes his characters more real, and the plot more plausible. In her review, Ira Trivedi aptly observes that 'there's nothing gimmicky about his book, it's just a really well-told story.' Another reviewer concluded that 'it's a book that anyone can enjoy — not just those with a stronger knowledge of the Qur'an and a more developed understanding of Islamic theology and dogma.' "Yahya's rags-to-riches story has become a familiar one in today's society. In his vision of the future, it will remain the same. The only difference will be that the 'people' who live in it will be more informed, and more aware of the dangers that threaten the materialistic future. Based on a true story, Yah
